

PLOWING FORWARD

Our Mission

The Lands at Hillside Farms is a non-profit, historic, educational farm that teaches sensible and sustainable life choices which, if enough of us adopt, will allow those born in 200 years to inherit all the resources and opportunities we have now. The Lands at Hillside Farms is a non-profit, 501(c)(3) educational farm.

Animal News

Our animals are settling into their warm winter homes! The peacocks are tucked in the coach barn. Be sure to come visit them in their new spot. Otis, Sunshine, and Mercury have been moved to their winter headquarters at the pig farrowing barn at the Spring Brook portion of the farm. They'll be back when warmer weather returns.

Thank You, Dr. Ayers

Doug Ayers was truly an exceptional person and he made a tremendous impact on The Lands at Hillside Farms. His passing earlier this year has deeply affected many people, especially those of us at the farm, who had the privilege to work with him. It is no exaggeration to say Doug Ayers was one of the most generous, brilliant, and kind people to ever walk this earth.

Doug was a successful veterinarian and business person who contributed many hours, chores and dollars to creating our non-profit organization, as a gift to benefit this community. Doug cared deeply about our land and all living things.
